General No. 1073
No. 62

His No. 72 of the 21st ultimo submitting for sanction a bill for Rs. 356-4-0 on account of sandalwood and saw dust required for the use of the temple of Sree Ranganatha-swami at Seringapatam.

Referring to the above observes that the rates shewn in the bill have not been certified by the

the Forest Officers of the Dist^{n} and that the present mode of drawing the sandalwood allowance once in 2 or 3 years is against the instructions laid down in the late Chief Commr's Notification No^{n} 277 dated 18th Octr^{n}/71 and his order No^{n} 3088/36 dated 5th Septr^{n}/72.

2. The Dy Commr^{n} is requested to state under what authority the temples of Lakshmi Narasimhaswami & Gangadhareswami and Thirangoor Chattram at Srirangapatam were originally granted sandalwood allowances, and what quantity & sort were fixed to each of them.

3. The Dy Commr^{n} is also requested to have the bill certified by the Forest Officer of the Dist^{n} and present it with the same to this office together with the Treasury Officer's certificate shewing that a sum of Rs. 910/ is available at the credit of the Sree Ranganathaswami temple at Srirangapatam and a copy of the Jamabandi Patti shewing that a sum of Rs. 70/ per annum has been fixed therein for the sandalwood allowance now in question.

To, The Deputy Commissioner
Salem District

Sir,

With reference this docket no 106 dated 15 ultimo forwarding for report Chief Secretary's docket no 1013/62 dated 10th idem, I have the honor to state that the Forest Officers Certificates as to the rates has been obtained and attached to the bill. As regards the remarks of the Chief Secretary and the objectionable mode of drawing the Sandalwood allowance once in 2 or 3 years, I beg to state that the Salab record shows that it was the practice all along to draw the allowance and purchase the sandalwood when the last supply runs out; it further shows that the last purchases made were as shown in the margin.

2 With reference to para 2 of the Chief Secretary's docket, I further beg to state that the old Salab accounts show

that the two temples of Ranganatha-
swami and Hanumar
Simhaswamy were previous to 1849,
considered as one so far as the
expenditure was concerned, and
during this period sandalwood
was being supplied from the last
named temple to the former; it would
appear that in 1849 the funds of these
institutions were separated, and
separate account of expenditure is
being maintained from that time;
but yet the supply of sandal from the
Ranganathaswami temple is being
continued according to the old
custom. It appears from the c:
"Kandhpatti" that sandal was being
supplied to these temples according to
their requirements; the last supply
i.e. in 1876 being as noted in the
margin. As supply to the Kirangur
Chattram seems to have originated
in 1873 under the orders of the then
Tahsildar. The Taluk records show
that no formal sanction was obtained
for this purpose.

dharaswara temple
7½ Seers to Narasimha
Swamy temple.

3. With reference to the latter part of para 3 of the Chief Secretary's docket, I submit that it is not possible to obtain Treasury Officer's certificate as the usual allowance of £70 has not been regularly drawn and credited to the temple funds. The Treasurer Trincomalee by reference from this office is enclosed for the information of the Chief Secretary. It is however clear from the vernacular correspondence (submitted herewith) that the last item spent on this account was £172-8-11 in 1876 and the amount now proposed to be expended is much less than the total allowance of £910 due for the past 13 years viz 1877 to 1889. It is therefore requested that the bill, which is herewith returned, may be submitted for the sanction of the Government. Copy of the Tamil petition is herewith forwarded.

4. In conclusion I beg you will kindly obtain permission of the Government to draw the balance £533-12-11 and credit the same to the temple funds.

5- I have issued orders to the amildar to draw in future the allowance regularly every year and credit the same to the temple funds if there be no expenditure for it in that year.

6. The vernacular correspondence on the subject is herewith submitted for reference.

Thanks.
